Pride of ownership oozes from every corner of this fully finished bi-level. Backing onto Kensington Park gives you added privacy and maybe even the odd deer sighting. Entering the front door you are greeted by a large sun drenched foyer, with access to your heated two car garage. The sun keeps shining as you take stairs to the main level and enter the spacious living-room with large south facing windows. Two good sized bedrooms, a fully remodeled bathroom and well equipped kitchen finish off the main level. Patio doors off the kitchen lead to your beautifully landscaped backyard, with a large two tier deck, perfect for entertaining friends and family and private enough to relax in the shade on a warm summer day. The basement features two more bedrooms, full bathroom, plenty of storage and large family room. This home shows 10/10 and is located close to amenities, schools and is waiting for its new family to call it home.
